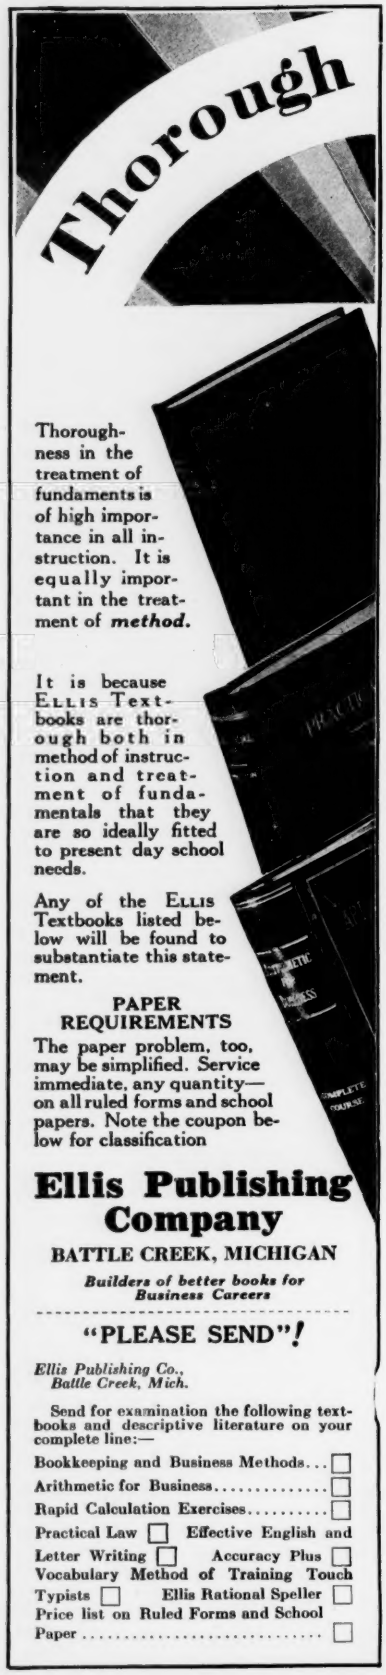
If you have something to sell to the Business Schools, there is no more effective means than through the advertising pages of
The JOURNAL of BUSINESS EDUCATION



Thorough
Thoroughness in the treatment of fundaments is of high importance in all instruction. It is equally important in the treatment of method.
It is because Ellis Textbooks are thorough both in method of instruction and treatment of fundamentals that they are so ideally fitted to present day school needs.
Any of the Ellis Textbooks listed below will be found to substantiate this statement.
PAPER REQUIREMENTS
The paper problem, too, may be simplified. Service immediate, any quantity—on all ruled forms and school papers. Note the coupon below for classification
